INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

December 4, 2006

Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, included with the attached Form PTO-1449 is a copy of the search report issued in the corresponding international application, together with the cited foreign references. (The U.S. references are omitted in view of the USPTO waiver of the requirement to submit such copies in applications filed after June 30, 2003.) The search report is in English, thereby satisfying the requirement to provide a concise explanation of the relevance of EP 0 059 164, the only document cited in the search report not in English.

This Information Disclosure Statement is being filed within three months of the filing date of the present application; therefore, no fee is required. The Examiner is courteously requested to initial and return a copy of the accompanying Form PTO-1449 to confirm entry into the record and consideration of the listed documents.

Respectfully submitted,
